

FUNDRAISING

AT

Eddie's ITALIAN EATERY

On their quest for a better life in America, many Italians passed through Ellis Island in New York at the turn of the 19th Century, and while some ended up staying in New York, many traveled to other parts of the United States. Now in a new country, Italian immigrants were forced to use local products to create the hearty and satisfying dishes they were used to making at home in Italy. Most of these dishes evolved and took on taste profiles unique to the local communities. Here at Eddie's Italian Eatery we offer some of these dishes that reflect this adapted style of Italian cooking, creating a different type of Italian food, one called Italian-American.

Attn:

Representative:

My name is Ed Inglese and I am one of the owners of Eddie's Italian Eatery in Claremont, California, formally known as Eddie's Pizzeria & Eatery.

At Eddie's Italian Eatery we know how time-consuming fundraising can be. We have created three different fundraising programs to accommodate your organization's needs during this challenging economy. Below are the fundraising opportunities that we have to offer your organization.

Incentives and competitive awards available for the individuals or groups that exceed fundraising goals

1.) \$5 - \$25 Gift Certificates

2.) Pizza Parties

3.) Pasta Dinners

1.) Spaghetti Dinner for 100 or More (Off-Premise)

Our very successful Spaghetti Dinner includes the following:

Spaghetti with meat sauce or marinara

House salad with dressing

Rolls and butter

We offer this dinner for a great value of \$5.00 per person, plus tax.

Your organization can sell this dinner for up to \$10 per person and double your investment.

Delivery, beverages and paper goods available for an extra charge.

2.) Classic Fundraiser - 20% to 30% Return (On-Premise)

We have designed a second fundraising concept that has been successfully received and implemented at several of our locations. This plan is very simple. Your school or organization can designate a day and time

(Monday or Tuesday) for the fundraiser and issue a flyer to the parents and family's to visit and enjoy lunch or

dinner at our restaurant during the allotted time. We will keep a record of the total bill and when the function ends,

we will issue your school or organization a check for 20% - 30% of the proceeds. This Classic Fundraiser is available

for Dine-In or Take-Out. The important factor to remember is getting the parents involved and to get the word out.

Min. \$500 in sales required to be considered a fundraiser. 20% return on less than \$500 in sales. 25% return on \$500

or more in sales. 30% return for \$1000 or more in sales.

Organization Representative: _____

4. Scrip Program

Our scrip program is another great way for a fundraiser opportunity. Here is how it works. We provide your school with gift certificates to our restaurant, which you in turn sell. For example, a \$500.00 investment, we provide a 20 percent discount for the initial order and 10 percent on future orders. Your school would receive \$500.00 worth of gift certificates for an actual cost of \$400.00. If your organization does not sell all the certificates, we will buy them back.

Sincerely,

Ed Inglese
